Chairman
Clapton Football Club

Clapton FC, warmly welcomes the supporters, officers and players of Hackney Wick.

After the frustrating and disappointing result on the road against Dunmow Town, the boys want to put on a performance, and most importantly win in front of our home fans, and begin to move up the league table.

Hackney Wick lost their last game with a similar scoreline as Clapton, and so both teams will want to make a statement in this local derby.

This is set up to be an exciting match.

Enjoy the game, thank you for coming and have a safe journey home.

Clapton Football Club.

HACKNEY WICK FC

Club History

Bobby Kasanga founded Hackney Wick Football Club in 2015; Hackney's first ever semi-professional football club in nearly a century.

We are not your regular football club as our ethos is based on community engagement and uniting the local diverse groups as well as battling peer pressure and tackling gang influences. We engage 160 youths and 70 adults through our training, fitness and football matches. (16 youth teams plus sessions for children with additional needs as well as 2 adult teams). We do this by offering educational workshops, sporting opportunities, mentoring and access to work routes which would actively engage with those already involved in gangs, those on the brink of gang life and those who might not be aware of the threats out there (as a safeguarding tool).

We are a community club whose members and players volunteer our services for free to the Hackney community. Be it providing free football coaching or helping out at various events our members come along and support. We will offer training, employment and community projects which promote health and well-being as well as community safety.

We will work with our partners and network to identify at risk individuals and groups who would benefit from our engagement. Referrals can be made by parents, schools, police, local authorities, probation services and other organisations in a collaborative effort to save lives.

The Wickers in the community is a charity whose aims are to combat and tackle gun, knife and gang culture in the inner cities of London. We want to create 'local community champions' in the midst of increased reports of knife crime and gang reports; we seek to use preventative measures by implementing ideas and projects that can deter many young men and women from the dangers that surround them before it's too late.

The outcomes and aims of the Wickers are to promote the anti gang agenda, increase the numbers of positive young role models, create opportunities for young people, educate and instill good values and morals, enhance community cohesion, provide respite and a safe haven and SAVE LIVES.

CLAPTON FOOTBALL CLUB

The history of Clapton is very much that of a club which has a history and reputation unparalleled in nonleague football. Founded in 1878 as Downs FC in Downs Rd Hackney, the club moved to its present site in 1888 and changed its name to Clapton Football Club in the same year.

Clapton in 1894 became founder members of the Southern League (Dr Martins) along with Luton Town, Millwall, Reading, Southampton, and Swindon. Arsenal were prime movers but left to join the football league whilst Tottenham Hotspurs application was rejected!! The club was one of the original founder members of the Isthmian League in 1905 which was then and up until the early 70s one of the most important semi-professional leagues in the county.

Clapton's reputation and history are tied to the early days of this league and the prestigious FA Amateur Cup and were twice winners of the league and five times winners of the Cup.

In 1956 Clapton played in the first floodlit game for an amateur side against Barking at Upton Park in front of 5,000 people. Their best ever FA Cup run was during this time with a 1-1 draw against QPR in 1957 before losing the reply away 1-3 in front of 14,000.

With the introduction of the Premier Division, Clapton had a brief change of fortune and won the Division Two title in 1982-83 as well as the Essex Senior Cup in 1983-84 beating Southend Utd. The Essex Thameside Trophy was won in 1983-84 and retained the following year. Relegation to the newly formed Division 2 North followed in 1984-85. Still the club rallied to win the Essex Senior Trophy in 1988 and lost in the final of the London Senior Cup the same year 0-1 to then conference side Fisher Athletic.

However, a 7th place finish in 1988-1989 saw a mass exodus of players at the end of the season and two seasons later Clapton were in Division 3 (now Div 2) upon reorganisation of the league. The club now plays in the Essex Senior League.

Clapton played in the Essex Senior League for a number of years, but were relegated in the 2022/23 season. The 2023/24 season saw a change in management for the club, now led by president Leigh Nisbet and chairman Samuel Omueda.
